

BUILD A NATION OF NEIGHBORS WITH US

Welcoming America is a nonprofit, nonpartisan organization that leads a movement of inclusive communities becoming more prosperous by ensuring everyone belongs. Our mission is to support communities building a welcoming society where every person, including immigrants, can fully contribute and shape our shared prosperity.

WHAT WE DO (AND HOW WE DO IT)

CONNECT: We connect leaders in the community, government, and nonprofit sectors. Our networks provide support locally, nationally, and internationally.

BUILD: We build on the work happening in local communities by providing tested methods and approaches for inclusive and welcoming places.

CHANGE: We help communities create policies, reinforce welcoming principles, and communicate the benefits of inclusion.
