# BE PART OF THE WELCOMING NETWORK

## It takes a village to make your community a more welcoming place.
## Join our network of welcomers to get started.

The Welcoming Network is composed of **over 300 nonprofits and local governments** working to build more inclusive and welcoming communities in the United States and abroad. Led by Welcoming America, the Welcoming Network is both a **network** and a **movement**, driven by the conviction that communities make better decisions when residents of all backgrounds, identities, and perspectives are meaningfully engaged.

By joining as a Welcoming Network member, you receive the **tools, resources, technical assistance**, and global **community of practice** to help communities of all sizes become more welcoming places.

> "The Welcoming Network has provided best practices I can adapt to fit the context of my city's efforts. The expert assistance is a priceless resource."
